

1.

Christ Episcopal Church. This historic stone church dates from 1743. The tower was built in 1773, while the nave was rebuilt in the Gothic style in 1852.

2.

Christ Episcopal Church and church yard.

3.

61-65 Church Street. The former New Brunswick National Bank building, c. 1870, is one of the more imaginative buildings within the study area.
